

3.2.1: Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Index Page

Sr. No.	Document/Photo	Page No.
1	VGS-ICRC supported project: Study of effect of organic vermicompost with enriched microbial consortium on plant growth.	2-3
2	VGS-ICRC supported project: Production of Bio-based Agriproducts from fruit waste material by fermentation process	3-5
3	Ecosystem for innovations and initiatives for creation and transfer of knowledge through Science Based Activities.	6-62

VGS-ICRC supported project:

VGS-ICRC supported project: Production of Bio-based Agriproducts from fruit waste material by fermentation process

Study of effect of product on plant

Before treatment

Tomato

Brinjal

Chili

Cabbage

After treatment

Tomato

Brinjal

Chili

Cabbage

**Ecosystem for innovations and initiatives for creation and transfer of
knowledge through Science Based Activities.**

Guest Dr. C.B.Jalkute as an examiner for College level Aavishkar Research Festival

Principal and staff addressing students participating in University Aavishkar Research Festival.

Students participating & winning prizes in Science competitions and University level Aavishkar Research Festivals.

Vivo V11Pro
AI Dual Camera

2019.09.04 17:25

Dr. Kishore Ingole: Head Dept. of Microbiology V.M. Medical College, Solapur for a guest lecture on ‘HIV AIDS awareness’.

Shri Baburao Petkar - Guest lecture on Plant and Water conservation.

Dr. Viswanatham (IKP, Hyderabad) during a workshop on Metagenomics

Students during industrial visit at Amul Industries, Gujarat.

Laboratory induction for students of B.Sc. 1 Biotechnology

B.Sc. Biotechnology Students contributing for Science awareness in School Children in association with 'Marathi Vidnyan Parishad'.

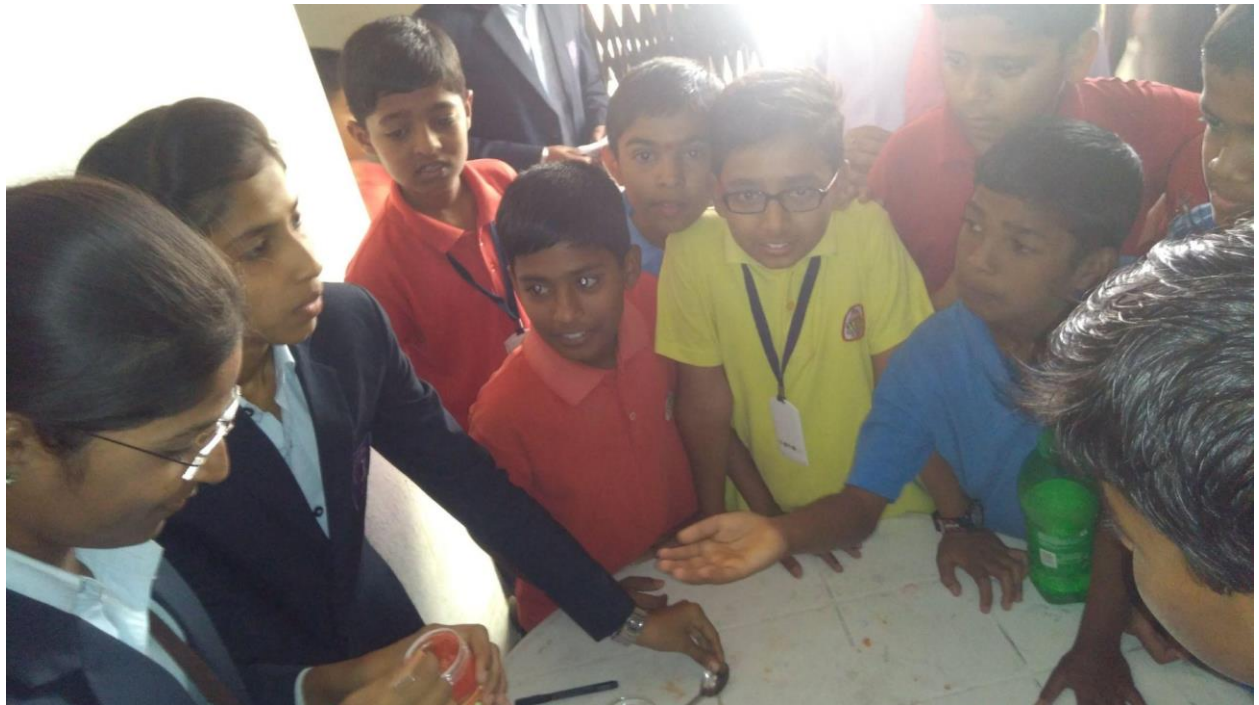

M.Sc. Biotechnology Students contributing for Science Awareness during National Science Day.

Scientific Rangoli Competition in Association with Microbiology Society of India.

MoUs with Science Institutes for Training and Research

Guest lecture on Entrepreneur Development
