Subject: Regarding subject content improvements.		
Respected Sir, With reference to said subject we would like to inform you that we have conducted feedback on curriculum content from students and got good remarks for current contents. But still there are few students, who have suggested to increase the practical numbers along with that the students think there is overlapping in syllabus content of UG and PG. Thus students suggested that there should be PG syllabus completely different from UG. Kindly note down these suggestion, and if in future there is any updating in syllabus please consider the said demand by students. Thanking you.

Subject: Regarding implementation of skill development course.

Respected Sir,

With reference to said subject we would like to inform you that in our college we have conducted feedback on curriculum content from students and got good remarks for current contents. But still there are few students, given the suggestion to increase the skill development courses. The same was placed in CDC meeting and CDC recommended to start new certificate courses in college from this academic year.

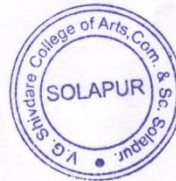

So you are requested to look out the present scenario and plan new certificate courses in college for B.Sc. and M.Sc. students.

Thanking you.

Subject: Regarding implementation of practical knowledge in commerce.

Respected Sir,

With reference to said subject we would like to inform you that in our college we have conducted feedback on curriculum content from students and got good remarks for current contents. But still there are few students are requested to inculcate the practical oriented approach in curriculum.

So you are requested to look out the present scenario and plan add-on courses in college for B.Com. students.

Thanking you.
