The same report has been discussed in college development committee (CDC) meeting on Thursday 25-Nov-2021, and then the CDC appreciated the all teaching staff and non-teaching staff for positive response from students. The CDC committee noted that percentage of who don't know Code of Ethics of college to check malpractices and plagiarism in Research should be recognized and they should be made aware about plagiarism check importance in research. Also CDC highlighted that all students should know course outcome and programme outcome, so teachers should informed to discuss PO's and CO's in classroom repeatedly.
