Geographical Indications;

- A geographical indication (GI) is a sign used on goods that have a specific geographical origin and possess qualities or a reputation that is solely due to the place of origin.
- A geographical indication (GI) is a name or sign used on certain products which corresponds to a specific geographical location or origin (e.g. a town, region, or country)
- Such goods enjoy an advantage over competing goods solely because of their geographical origin, which thus becomes a kind of IP and is protected.
