### Report of Anti-ragging committee (2021-22)

Date: 30/8/2022

To, The Principal V.G.Shivdare college of Arts, Commerce and Science,Solapur.

### Annual report of Anti-ragging committee – 2021-22

Like every year, the Anti- ragging committee was reformed for the academic year 2021-22. The committee consisted of 12 members including the representatives from teaching staff, non-teaching staff, NGO, Police department, judiciary and from the students. The members of the committee from the last year continued to be the part of it and the student's representative are changed every year. Accordingly the new student representatives were nominated and the "Anti-ragging committee" was thus formed following the rules and norms of the Government. The board of "Anti-ragging" committee was showcased at such a place which is easily visible to each student of all three departments.

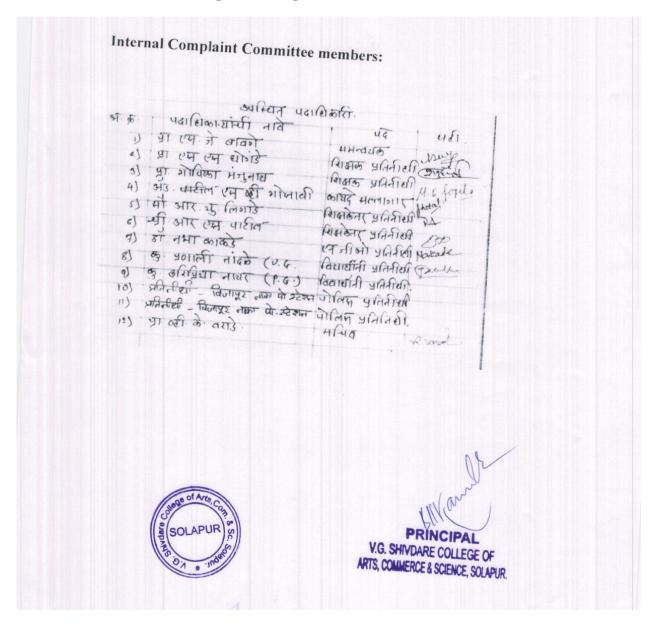

Regular meetings of the committee were conducted and in one of the meeting, it was decided to organize the program for awareness against ragging. Students are given the instructions and information to avoid the ragging in the campus. Students are duly given the admission to the respective course only after they sign the Anti-ragging form which includes the consent of the students that they will not commit any act which falls under ragging and even if they attempt to do so is a punishable offence. "Damini Pathak" (two lady officers from police department) regularly gives the visit to the campus and freely communicates the students to ensure their security and safety.

The college was being run in online mode because of Pandemic situation so, there remained no scope of ragging during this year and as the effect of the combined efforts of all the staff members and the "Anti-ragging committee" there is no complaint regarding ragging from the students.

### Internal Complaint Committee report-2021-22

Like every year, the "Internal complaint committee" was reformed for the academic year 2021-22. The committee consisted of 12 members including the representatives from teaching staff, non-teaching staff, NGO, Police department, judiciary and from the students. The members of the committee from the last year continued to be the part of it and the student's representative are changed every year. Accordingly the new student representatives were nominated and the "Internal complaint committee" was thus formed following the rules and norms of the Government. The board of "Internal complaint" committee was showcased at such a place which is easily visible to each student of all three departments.

The meetings of the committee were regularly taken. Because of the Pandemic situation necessary Covid Appropriate behaviour was taken into account while conducting the meetings. For the awareness about rights and authorities of the students, staff and every person related to the college the committee organises different programs every year. This year it was decided in the meeting by the committee that a series of webinar should be organised through which people can get the knowledge about their rights and authorities. Accordingly during "Navratri" a series of webinar titles as "Jagar StriShakticha" was organised. The Webinar of Mrs. Anjali Dhanorkar Madam (Deputy Collector, Aurangabad) was about the constitutional rights of women. This series of webinar was broadcasted through YouTube and was made open to all the people not limiting to the students or staff of college. Thus apart from college the society too was benefited by this.

The facility is provided in the college to write the complaints or suggestions on a chit and put it in suggestion box with or without name as per their wish. College campus is also being visited by "Damini Pathak" (two lady officers from Police Department) to whom the students could freely communicate in case they have faced any problem. However there was no such case this year and no complaints were received.
