Report of the event

Report of Ozone Day – 2021-22

Ozone layer depletion is one of the major problem all over the globe. We can overcome this problem only with the efforts and awareness of each and every individual. The awareness about the measures for reduction in pollution particularly air pollution becomes important as air pollution is the main cause for Ozone layer depletion. So, Biotechnology Department of our college from last 4 years is organizing different competitions including Model Making, Elocution, Quiz, Poster presentation, rangoli and so on. The theme for this competition is based on Ozone and Conservation of nature.

This year however, because of the Pandemic Situation the lectures and the programs were conducted in online mode. So, looking towards the convenience of the students this year only Elocution competition was organized for the students. The registration forms were prepared using "Google forms". The link of this form was shared to the students on their Wats App group. All the staff members and students in large number participated in the program. The prefatorial address was given by respected Principal Sir. The students than gave their speeches on the topics that were already shared to them.

The staff members of our college were the Jury for this competition. They carefully listened every student and three winners for this competition were declared. The soft copy of the certificate was shared to the students. The list of winners is as follows:

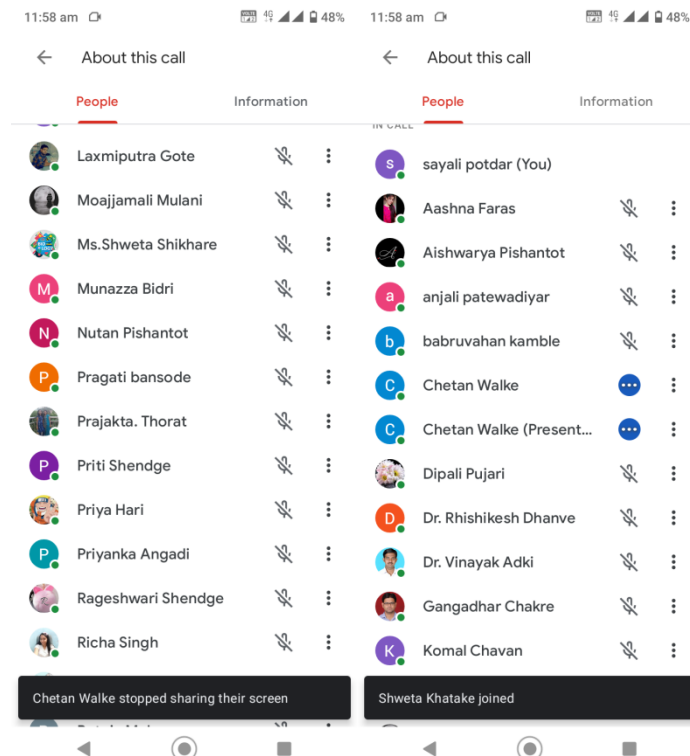

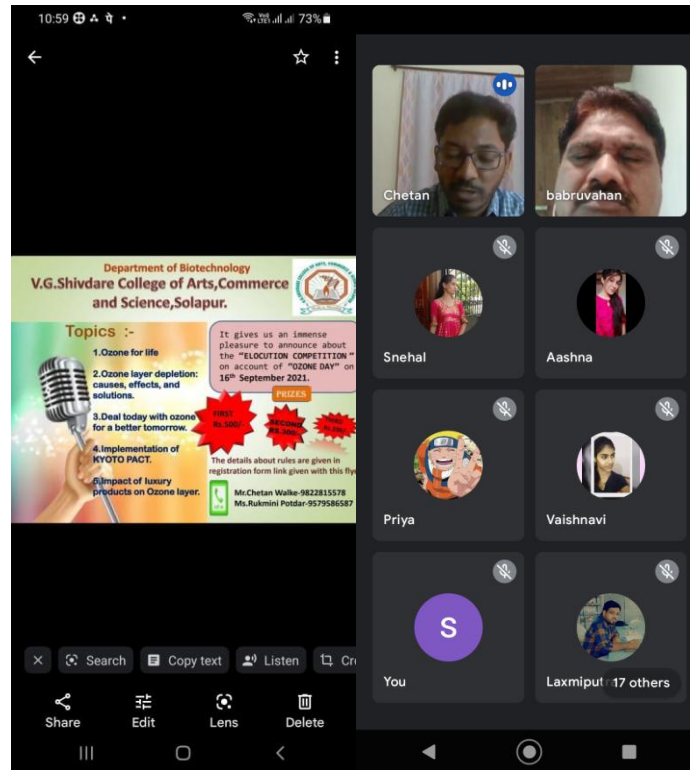

- 1) Priyanka Angadi
- 2) Saniya Kolekar
- 3) Shobha Vhanmane and Shubham Bamanalli.
