The cultural unit regularly arranges various programs in every academic year since its formation. We gives opportunity to our students to exhibit their inherent talents through various performances such as drama, skit, mime, folk arts, drawings, paintings, singing etc. our students participate in various activities/competitions organized at college level, university level or even at district or state level

Every year we participate in youth festivals organized by PAHS University, Solapur . Our students proved their talents and maintained a very bright record in it. The college bagged prizes in various events.

We organize awareness campaign for national, social and educational issues through performing drama, street play, singing competition on patriotism.

Through cultural program we endeavor to execute various extension activities in neighboring communities by performing street plays on different social issues like protecting and respecting woman, importance of voting in democracy, misuse of mobiles, and importance of water conservation.

As consider to employability our students develop self-employability through being professional trainer for the annual gathering functions organized by various schools or institution. Even our students also becomes professional actor/actress, artist.

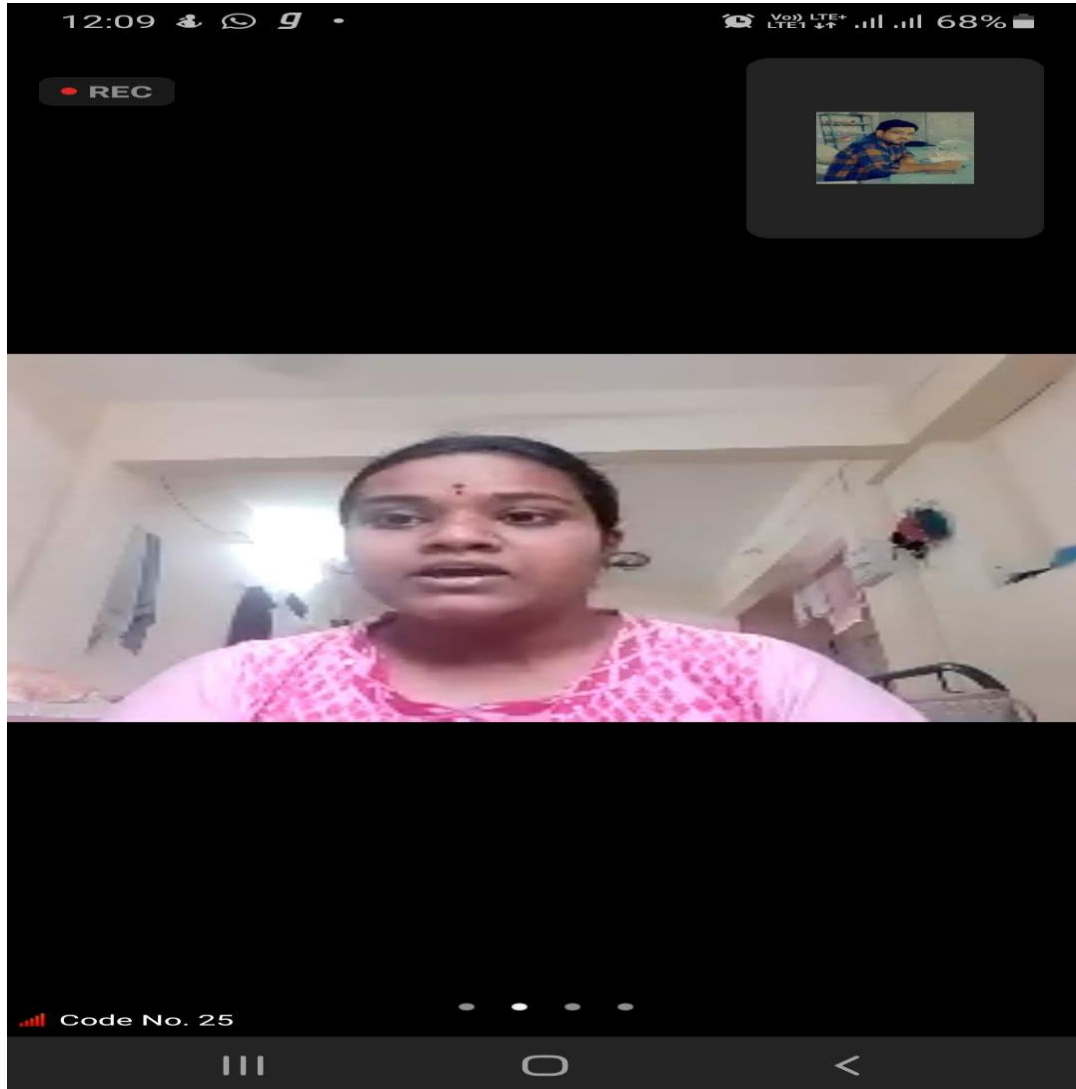

## Objectives

- To provide platform for students creativity
- To develop employability/self-employment among students
- To provoke on social issues
- To develop all-rounder personality of the student
- To develop national integrity
