

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The level of attainment of Program Outcomes, Program Specific Outcomes and Course Outcomes are measured using pointers through the semester of the academic year. The faculty records the presentation of each student with the help of the specified course outcomes through a continuous evaluation process.

The faculty delivers home projects/assignments to students, conducts interior tests, viva voce, surprise tests, quiz, projects etc. in order to assess the Programme Outcomes and Programme Specific outcomes attained by each student.

Some of the key indicators of measuring attainment are:

1. Internal Assessment: As per NEP 2020 the Internal Assessment establishes 30% weightage of the total marks (100) in each subject.

The students are given assignments which are designed in alignment with Programme Outcomes of the respective subject. Additionally, internal/class tests, quiz, viva etc. are

2. Practical Assessment/ External Assessment: It is assessed by alluring outside experts appointed by the university to assess each student by showing Practical examinations, and taking Viva-Voce and evaluating the practical journals.

3. Result Analysis: At the end of each semester, result analysis of each course is carried out using bar charts indicating the percentage of students falling in different categories of CGPA obtained. This is an effective indicator in order to evaluate the level of attainment of POs, PSOs and COs as specified by the university.

4. Internships and Placements: Students are invigorated to take up internships, projects, fieldwork, etc. The Placement Cell of the college helps and skills the students according to industry standards and provides plenty chances for students to get placed in esteemed companies. This helps them to obtain necessary skills and practical experience in their chosen correction.
